The program, which features the Bob Jones University Trumpet Trio, will include well-known hymns and varied sacred selections, all of which have been arranged especially for this ensemble.

A color motion picture entitled "Fortress of Faith" will be shown following the service.

The public is cordially invited. The Rev. Randolph Hite is pastor of this church.

Evangelistic Team To Appear in Appomattox

The Bible Baptist Church, of Appomattox, Va., located on Route 460, will be the scene of a special rally on Wednesday night, at 7:45, June 10th. The Musical Meloons, of New Hampshire, a husband and wife evangelistic team, who have traveled the eastern half of the United States and into Canada, with their ministry known as "Music With a Message," will be there singing, playing and bringing the Bible Message.

Evangelist Wilfrid Meloon and wife, Margaret, have recently traveled through the state of New York, and New Hampshire and Maine, and are on their way to Florida for a summer of children's work in Bible camps. They have been in Virginia three times before conducting evangelistic campaigns, and also have been out through Kansas and Missouri, and in Florida last winter.

This musical team plays a big set of 32 musical bells, a set of watertuned glasses, a three octave vibraharp, electric-steel and Spanish guitars, accordian, autoharp and a musical saw. They sing solos and duets accompanying themselves on various combinations of their instruments, and because this is just a one-night meeting, will have a full program of music, using all their instruments.

The pastor, Rev. Randolph Hite, cordially invites one and all to this big rally.

This our seventh year at Evergreen Elementary School has passed quickly. Skippie Irvin dropped out of the class leaving only six, the same number with which we began in 1952.

This history would not be complete without making mention of Mrs. Z. E. Cheatham, our faithful substitute teacher. She was always standing by in time of need.

As we look at the past there have been many happy occasions through out our school life here, such as the Hallowe'en parades, Christmas trees, and picnics at Miller Park. Neither can we forget the excitment of the county spelling bee's.

We have not passed this way alone. Many have helped us obtain this goal. Besides our teachers who have labored so patiently with us, we remember our parents who have given help and encouragement all the way.

As we go forth to high school, we will miss our accustomed life in Evergreen School, but we will not forget the happy days spent here. As we bid farewell to teachers and schoolmates, we look forward to building high upon the foundation of good will, high ideals and scholarship begun in Evergreen School.
